OFFICE OF THE REGISTRAR

SEN-02-2020

POLICY ON UNCOLLECTED DOCUMENTS

Rationale:

Many academic certificates and transcripts remain uncollected from the Registrar's office, as far back as 1990s.

This poses challenges such as:

1. Storage problems due to accumulation of uncollected certificates and transcripts.
2. Change of signatories in case where re-print and corrections are required.
3. Apparent reluctance and compliance by the graduates to collect documents.

Because of the above, there was a need to draft a policy to regulate the collection of documents.

WHEREAS:

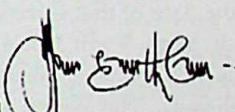

The Senate appointed a committee to work on a policy on uncollected documents and whereas the committee presented its report including the following:

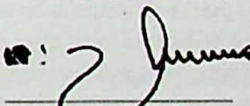

- a) Certificates are expected to be ready for collection within one month after graduation.
- b) Graduates are given a period of one year from the time of graduation to collect their documents.
- c) Beyond one year the uncollected documents will attract a surcharge of \$2.0 per month.
- d) Any person who may wish to keep their academic or any other documents for safe custody at the Registrar's office will pay \$1.0 per month.
- e) All previous uncollected documents shall be charged \$2.0 per month from the date this policy comes into effect.
- f) In the event where the uncollected documents require reprint or corrections this policy mandates the current concerned officers to sign them.

VOTED:

To accept the policy as an operation guideline for the uncollected documents.
