

You Justice Isekeko

THE REPUBLIC OF UGANDA
IN THE HIGH COURT OF UGANDA AT JINJA
CRIMINAL CONFIRMATION NO.1/93

PETER ITEMBE PALASI :::::::::::::::::::::::::::::::::::::::ACCUSED
V E R S U S
UGANDA :::::::::::::::::::::::::::::::::::::::PROSECUTOR

BEFORE: THE HON. MR. JUSTICE C.M. KATO

O R D E R
=====

This file was passed to me for the purpose of confirming a sentence of 36 months imprisonment imposed upon the accused person Peter Itembe Palasi. The accused was charged with two counts one of which was for shop breaking contrary to section 283(a) of the Penal Code Act and the other was for theft contrary to section 252 of the Penal Code Act.

He pleaded guilty to both counts. He was sentenced to 12 months in respect of count 1 and 24 months for the second count. The court ordered the sentences to run consecutively. The accused had two other convictions of similar nature which he admitted.

I have carefully considered the reasons which prompted the trial magistrate to impose the sentence which he did impose and I feel those reasons are quite sound. I consider the sentence imposed to be reasonable in all the circumstances of this case, I accordingly do confirm the consecutive sentence of 36 months.

C.M. KATO

BY
J. D. COOPER
AND
R. M. WATSON
1955

The following report describes the synthesis and properties of a new class of organic compounds. The work was carried out in the Laboratory of Organic Chemistry, Department of Chemistry, University of Chicago, during the period from 1953 to 1955. The authors are indebted to Professor R. M. Waymouth for his generous hospitality and to the National Science Foundation for its support of this work.

The authors wish to express their appreciation to the following individuals for their assistance during the course of this work: Dr. J. D. Cooper, Dr. R. M. Watson, Dr. J. D. Cooper, and Dr. R. M. Watson.
